Hi [REDACTED]

b6
b7C

I received a message from the AFSOC that you were inquiring about UAV training. The FBI does currently have a UAV program run out of the Video Surv Unit assigned to my Section. Any training for UAVs would go through OTD in coordination with Aviation Branch.

I would be happy to discuss your needs in this area so feel free to call me and I can put you in touch with my program SSA.

The following link takes you to the UAV page.

It is a [REDACTED] I still have one of the first [REDACTED]

[REDACTED] My understanding is that, if the we as a government agency use it, it becomes a UAV and is therefore subject to the rules of the UAVs. We can take a look at it.
[REDACTED] check this one out.

Hello!

I'm thinking it has to be something different. They made it sound like its something for law enforcement (in the office).....I'm pretty sure the [REDACTED] I can get back with them and get more details. Thanks for the quick response.

H [REDACTED]

I am the Legat in [REDACTED] I received a request last week from the [REDACTED] Frankly, I had no idea what it was, checked on our intranet, and thought I might come to you for assistance.

An officer [redacted] of the [redacted] is seeking [redacted] I checked (like I mentioned) on the intranet and saw some tie to VSU.

If you get a moment, can you give me a quick rundown of this [redacted]? Of course, the million dollar question is (1) is this something that can be given to our [redacted] partners? (2) If so, how do we go about doing this?
